REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: applicant has discovered novel and unobvious compositions and their use for coloring or tinting keratin fibers. The closest prior art of record teaches compounds which have one of the R^{1-4} substituents as a C_6 ring. There is nothing of record would suggest using a R^{1-4} substituent which is a C_{7-8} ring in place of the C_6 ring taught in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
